Presently used as two BNB's and showing fantastic returns on investment, this property would be ideal for a number of uses. Live in the front house and rent out the rear house, rent both out or use both for living - the choice is yours.

The front home features three queen sized bedrooms, ensuite and main bathroom, good sized living area with wood heater, new eat-in kitchen and four reverse cycle air conditioners to keep you or guests warm as toast. This home still retains the true character of a Queenslander with front verandah and lovely rear deck.

Separated by a four-bay carport, you'll find the second residence. This newly built villa features two bedrooms, both with large ensuites, lovely open plan living, kitchen and dining area, and all the top end features you would expect from a quality build. The Villa even has it's own outdoor area plus a shared area with firepit and seating.
